Science Laureate
University of Washington, USA

The Infosys Science Foundation calls for nominations for the Infosys Prize 2025. The Infosys Prize is given for an invention, innovation or distinct achievement.

Nominees must be of Indian origin working anywhere in the world or anyone whose work impacts India and must be 40 years or younger as of November 1, 2025 to be eligible. The nominators will be invited to the nomination council. Self nominations will not be accepted.

You can find the statutes and other criteria for the prize on www.infosysprize.org.
