

YATI4

4th Young Astrophysicists of Today's India

Organized by
Indian Centre for Space Physics, Kolkata, India

14 - 16 October, 2026

Venue : JNC Auditorium, ICSP

Building on the remarkable success of YATI 3 at ICSP's Kolkata campus, YATI 4 continues the tradition of bringing together early-career researchers from undergraduates to postdocs in astrophysics and space science.

The program includes contributed talks, invited reviews, and panel discussions, offering a platform to present work, exchange ideas, and build connections.

UG/PG students who are not currently involved in research but have a keen interest in astronomy and astrophysics are also encouraged to attend the conference. This conference is dedicated to offering young researchers and aspirants maximum opportunity and visibility for presenting their research.

Confirmed Speakers

Sandip K. Chakrabarti, ICSP Kolkata
Patrick Das Gupta, Delhi University
Prasad Subramanian, IISER Pune
Banibrata Mukhopadhyay, IISc Bangalore
Santosh Joshi, ARIES Nainital
Debarati Chatterjee, IUCAA Pune
Swastik Bhattacharya, BITS, Pilani
Biplob Sarkar, Tezpur University
Sabyasachi Pal, Midnapore City College
Saswati Roy, NIT Agartala
Indrani Banerjee, NIT Rourkela

Scientific Organizing Committee (SOC)

Sandip K. Chakrabarti, ICSP Kolkata
Chanda Jog, IISc Bangalore
Ranjan Gupta, IUCAA Pune
Patrick Das Gupta, Delhi University
Banibrata Mukhopadhyay, IISc Bangalore
Debarati Chatterjee, IUCAA Pune

Local Organizing Committee (LOC)

Tamal Basak (Convenor)
Sourav Palit (Co-convenor)
Devendra Bisht
Debashish Bhowmick
Prantik Nandi

Special Attractions

- + Complimentary visit to the ICSP Space and Astronomy Museum
- + Optional visit to the ICSP Sitapur Observatory, home to the largest optical telescope in eastern India, along with a night sky-watching session
- + Interactive Panel Discussions - open to all participants.

Registration Details

Deadlines

Online Registration
30 September 2026

Abstract submission
20 September 2026

Registration fees **

INR 2000 for UG & PG
INR 3000 for PhD & PDF
INR 4000 for Teachers/Faculty

INR 1000 for local participants only †
(not needing accommodation)

INR 1500 (additional) for optional Sitapur Observatory visit and sky watching session

Accommodation fee

INR 1000

** Registration fee includes fooding
† Includes lunch only
